**blü sol *balance***

Your experience starts with entering the spa and enjoying the organic atmosphere of pure relaxation knowing that the spa was made to honor you and the environment we share. From the moment your feet touch our bamboo flooring you will be embraced by the soft spa music and offered a cup of our signature organic tea of the day...

Our support staff will guide you through your personal spa experience beginning with our full service and package menu. You will find balance with our massage therapists and estheticians, tailoring the many spa services we offer and allowing you to relax, simplify and experience your journey.
